A report on the Celebration of World Environment Day 2023

(5th June 2023)

IIIT Surat celebrated World Environment Day on June 5, 2023. The primary objective of the event was to enhance students' understanding of the significance of the environment and the imperative to safeguard it. A small cultural event was organized by 1st year B.Tech. students on the occasion of world environment day.

The event began with a warm welcome to all students and faculties, followed by a captivating speech by the Honorable Director, Prof. J.S. Bhat to share his profound insights on the importance of environmental preservation and the role that our college community can play in creating a sustainable future.

Then Ms. Ruchita Agarwal delivered an inspiring speech, explaining the importance of Environment Day. The program showcased soulful song rendition by Ms. Khushi Chouksey and Ms. Annesha Kuila. The college drama team, "Malhaar", impressed the audience with a lively "nukkad natak". Mr. Harshwardhan Mani Tripathi mesmerized everyone with his recitation of "Kal Ho Na Ho."

The event also featured captivating poetry by Ms. Shivangi and an energetic dance performance by the groove team. Ms. Prashasti Vyas's powerful song performance of "Shaabaashiyaan" left the audience enthralled. Mr. Sudarshan's evocative poem sparked introspection and expressed hisemotions though his words. The event concluded with a vote of thanks by Dr. Gopal Agarwal and the national anthem.

Additionally, a plantation drive on the college campus promoted environmental conservation, with active participation from students and faculties. Following are the glimpses of various activities conducted at IIIT Surat campus on Environment Day 2023.
