**IIIT Surat Signs MoU with TrueCopy to Strengthen Digital Document Verification and Student Services**

Surat, April 22, 2025 – The Indian Institute of Information Technology (IIIT) Surat has entered into a strategic partnership with TrueCopy Credentials Pvt. Ltd., a leader in secure document verification and digital credentials, by signing a Memorandum of Understanding (MoU) on 25th April 2025.

The MoU marks a significant step toward enhancing the institute's administrative efficiency and academic credibility through the use of advanced digital tools. Under this partnership, IIIT Surat will leverage TrueCopy's secure digital platform to issue and verify academic documents such as transcripts, degree certificates, and other official credentials.

Key Objectives of the MoU:
- Facilitate secure, tamper-proof issuance of academic credentials.
- Streamline document verification processes for students and alumni.
- Reduce administrative load and enhance transparency.
- Enable real-time verification by employers and higher education institutions globally.

Dr. Rajeev Shorey, Director, IIIT Surat said, "This collaboration reflects our commitment to embracing digital transformation in education. Partnering with TrueCopy will not only ease processes for students but also ensure the authenticity and security of academic records."

TrueCopy's, Raviraj Phutane, VP-Sales added, "We are delighted to partner with IIIT Surat, one of India's leading technical institutions. Our platform will support their vision of a paperless, efficient, and trusted documentation system."

The collaboration is expected to benefit current students, alumni, employers, and academic institutions by reducing delays and fraudulent documentation while fostering a seamless digital experience.
